

PAPERWORKS TO INCREASE PRICES IN SEPTEMBER

FOR IMMEDIATE RELEASE

August 13, 2009, Philadelphia, PA – Due to recent rapidly increasing recovered fiber costs and continuing significant increases in other costs of manufacturing, PaperWorks Industries, Inc. announced today an upcoming \$40 per ton price increase for all products manufactured at both its Philadelphia, PA and Wabash, IN manufacturing facilities. This increase will be effective with shipments on and after September 14, 2009. This change applies to all North American customers and will include all brands as listed below:

MasterWorks CRB & URB

| Commodity Grades | Specialty Grades |
|-------------------------|-------------------------|
| MasterWorks News PHL | MasterWorks Freeze |
| MasterWorks News WAB | MasterWorks Blister |
| MasterWorks Plus | MasterWorks Lite |
| MasterWorks URB+ | MasterWorks Bev |

“All of us at PaperWorks continue to work hard to control costs while continuing to provide quality products and excellent service. We appreciate the ongoing support of our valued clients as we strive to be North America’s leading provider of innovative and value-added paperboard products,” said Mark P. Roy, Senior Vice President, Commercial Development.

Customers are invited to contact their customer service representative, account manager or Mr. Roy directly should they have any questions regarding the increase.
